

First Presbyterian Church of Naples
Electronic Funds Transfer (EFT) Authorization

First Presbyterian Church of Naples is pleased to offer you the opportunity to give your contributions to the General Operations of the church through Electronic Funds Transfer (EFT). EFT allows you to have your contribution automatically withdrawn from your checking or savings account on a date specified by you.

How Does It Work?

By completing the form below, the church will receive your contribution through an electronic bank transfer. You specify the amount and the frequency of your gifts. The transaction will appear on your bank statement the day after the transaction is initiated by the church.

Why would I want to contribute through EFT?

- 1 If you mail your contribution, you can save stamps and trips to the post office.
- 2 You no longer need to write a check for your contribution.
- 3 When you are out of town, the church will still receive your contribution.
- 4 It eliminates the possibility of lost, stolen or forged checks.

What do I need to do?

Complete the form below by first choosing the frequency of your giving (semi-monthly, monthly on the 15th or monthly on the 30th/31st) and then indicate the amount you wish to contribute next to the frequency you have selected. Complete your name and address. Indicate if your account is a checking or a savings account. Enter your account number and routing number.

Please attach a voided check. By attaching a voided check, the church can verify your bank account information for accuracy. Please sign and date the form. You can place the form and voided check in an envelope and place it in the offering plate on Sunday morning or mail it to the church office. If you have any questions, please call Michele Martin at (239) 262-1311 extension 242.
